PHYLLIS L. MARCHAND

February 27, 2008

Important Notice

Dear Resident:

A neighborhood meeting will be held on Wednesday, March 19, 2008 to discuss the repair and resurfacing of the following streets within Princeton Township:

- **Battle Road**
- **Braeburn Drive**
- **Concord Lane**
- **Finley Road**
- **Franklin Avenue (Walnut Lane – Linden Lane)**
- **Journeys End Lane**
- **Locust Lane**
- **Ober Road**
- **Stuart Close**
- **Stuart Road West**

The meeting will be held at 7:00 PM in the Municipal Building, Main Meeting Room, 400 Witherspoon Street. All interested residents are invited to attend. Representatives from the Township Engineering, Public Works and Police Departments and the Princeton Sewer Operating Committee will be available to discuss the project, and answer any questions you may have.

The Township Engineering Staff is currently evaluating the condition of the various utilities including watermain, gas main, storm sewer, and sanitary sewer (in conjunction with the Princeton Sewer Operating Committee) within these streets. The proposed improvements may include the installation of new utilities and sanitary sewer main and lateral rehabilitation, where required; sidewalk repairs, also where required and the repair and resurfacing of the streets.

Residents are advised that the Township will be imposing a 5-year moratorium on any street openings once the work is completed. Therefore, if you to plan to upgrade or install new utility services such as gas, water, electric, etc., you should contact the respective utility company at this time to make the necessary arrangements.

I invite you to attend this meeting to view the proposed conceptual plans and to discuss any concerns you may have regarding this project.

Sincerely,

Phyllis L. Marchand
Mayor

PLM/cc
